ITALIAN RESTAURANT & BOUTIQUE HOTEL

**LIBREVILLE - GABON - AFRICA**

... hospitality and gastronomic excellence since 2011

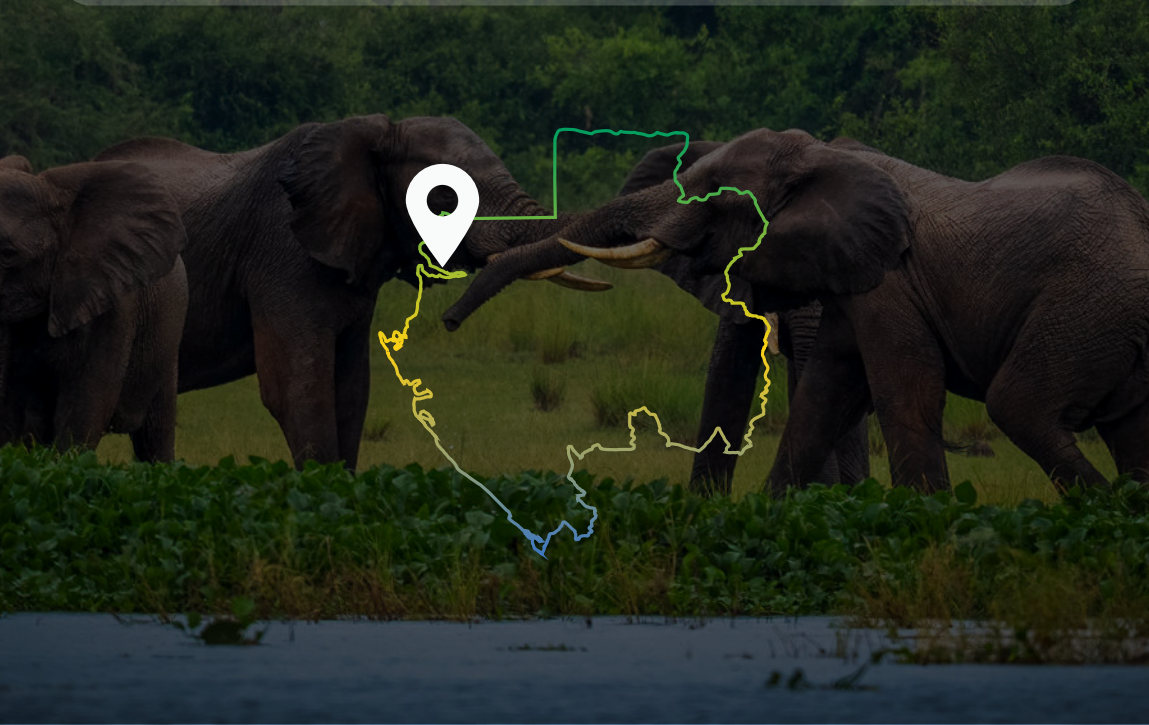

# INTRODUCTION

Since 2011, **ROMA** Restaurant has been one of Gabon's leading culinary destinations.

Ideally located between Libreville airport (5 km) and the city centre (3 km), **ROMA** now also welcomes overnight guests to its boutique hotel.

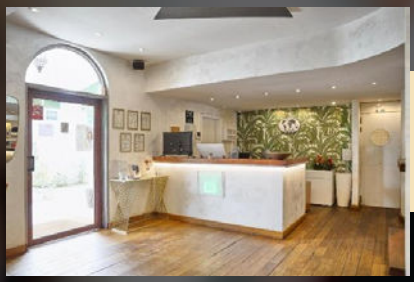

Building on our experience in hospitality and dining, we opened our hotel in 2024, bringing the same quality and care that have shaped our reputation for over a decade.

We are in the Louis district, known as the restaurant quarter. For your comfort, the hotel has two backup generators and a 20,000-litre water tank with a pressure booster, ensuring continuity of service during outages. Free fibre-optic Wi-Fi is available throughout the property.
